Home entertainment surge protector

3200 Joules/144,000 Ampere

Designed for the home theatre enthusiast, this advanced surge protector uses Pure Power technology which filters EMI/RFI noise so only clean power enters your electronic equipment. Keeps your picture sharp, data reliable and sound clear.

Ideal for home theatre systems
- Phone line protection
- RJ45 data line protection
- 2 sets gold coax protection

Ultimate performance design
- EMI/RFI noise filtration
- 10 outlets
- Power blocker

Dependable protection
- V3 Advanced Surge Technology
- £500,000 equipment warranty

Built-in convenience
- Right angle plug
- LED indicators for information at a glance
- 3 m power cord

Specifications

Packaging dimensions
- Packaging dimensions (W x H x D): 6.1 x 23.1 x 48.0 cm
- Net weight: 0.958 kg
- Gross weight: 1.218 kg
- Tare weight: 0.260 kg
- EAN: 87 12581 36967 5
- Number of products included: 1
- Packaging type: Blister

Outer Box
- Outer carton (L x W x H): 50.0 x 25.1 x 19.8 cm
- Net weight: 2.874 kg
- Gross weight: 4.204 kg
- Tare weight: 1.330 kg
- EAN: 87 12581 36968 2
- Number of consumer packages: 3

Highlights

2 sets gold coax protection
Gold-plated connectors route the coaxial signal through the surge protector to protect the line from surges and spikes. Allows two cable devices to be plugged into the same unit. Gold connectors act to reduce noise (snow, vertical lines etc) in picture and keep data safer from devices with cable modems.

EMI/RFI noise filtration
Built-in filtering technology ensures the best performance from your components. It guards against signal interference and loss of data.

10 outlets
Converts one outlet into ten outlets allowing you to plug in multiple devices from one single AC outlet

Right angle plug
This flat design allows for more positioning options and lets furniture sit more closely to the wall.

Power blocker
This automatic shutdown technology senses when the device has reached capacity and automatically shuts down electricity to your equipment. It protects against subsequent surges, even if you are not present

£500,000 equipment warranty
Protects your connected equipment for the life of the product.

3 m power cord
Provides power to the unit which can be 3 m from the AC outlet.

Issue date 2009-09-02
